

How to Create a USPTA PLAYER account
you will need to create an account to sign up for our tennis clinics

<http://www.usptaplayer.com/club/EHTP/>

1. Click *Join USPTA Player* at upper right of page (if you are not logged in).
2. Complete the brief registration fields (including the optional Child/Family account information if you have other family members that play tennis), click the box to agree to the terms and then click *Sign Me Up*
3. Upon creating your account you will have the opportunity to click a link which will allow you to add Club and Community Sites to your profile by entering the Club or Community name (Club = Eagle Harbor) in the search field and then clicking *Add*. If you failed to do this initially, then log in and click *Settings* in the upper right next to your name. Next click *Clubs & Communities* at the left of the page. Enter Eagle Harbor in the Clubs Search Field. Click *Add* for Eagle Harbor. Refresh your page and then you will have access to the Eagle Harbor homepage when you mouseover the blue Clubs tab at the upper left of the page.
4. If you would like to choose the default (first open) page when you login, then click *Settings, Default Page*, make your selection and click *Go*.
